**Section 401. Regular Meeting Place.**

Except as the Commission may from time to time provide an alternate location, the regular meeting place of the Commission shall be at the Norman Y. In such events, the Commission may conduct such meetings in reasonably accessible locations.

Subject to the requirements of law, any meeting before the Commission may be continued from time to time, to times and locations convenient to the consideration of matters pending before the Commission.

**Section 402. Time of Regular Meetings.**

The Commission shall hold four (4) regular meetings each year, on a quarterly basis at 6:00 p.m. on the second (2nd) Monday of one calendar month each quarter. The call and notice shall specify the time and place of the special meeting and the business to be transacted. No other business shall be considered at such meetings by the Commission. Such written notice may be dispensed with as to any member who, at or prior to the time the meeting convenes, files with the Secretary of the Commission a written waiver of notice. Such written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes. A special meeting is permitted on less than four (4) days notice, but with at least twenty-four (24) hours notice, only when the members of the Commission make a good faith, reasonable determination by a two-thirds vote of the body, or if less than two-thirds of the members are present, a unanimous vote of those present, that an issue has arisen that must be resolved in less than four (4) days.

**Section 404. Adjournment – Adjourned Meetings.**

The Commission may adjourn any regular, adjourned regular, special or adjourned meeting to a time and place specified in the order of adjournment; a majority of members present, even though less than a quorum, may so adjourn. If all the members are absent from a regular or adjourned regular meeting, the Secretary of the Commission may declare the meeting adjourned to a stated time and place; and he or she shall cause a written notice of the adjournment to be given in the manner provided in Section 502 for special meetings. A copy of the order or notice of adjournment shall be posted conspicuously on or near the door of the place where the regular, adjourned regular, special or adjourned special meeting was held within twenty-four (24) hours after the time of adjournment.

When a regular or adjourned regular meeting is adjourned as provided in this Section, the resulting adjourned regular meeting is a regular meeting for all purposes.

When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings.

**Section 405. Continuance.**

A convened meeting, or any meeting ordered or noticed to be held, may, by order or notice of continuance, be continued or recontinued to any subsequent meeting of the Commission in the same manner and to the same extent set forth in Section 404 for the adjournment of meetings; provided, if a hearing is continued to a time less than twenty-four (24) hours after the time specified in the notice or order of hearing, a copy of the order or notice of continuance shall be posted immediately following the meeting which orders or declares the continuance.

**Section 406. Executive Sessions.**

The Commission may hold executive sessions during a regular or special meeting to consider any matter which it is authorized by applicable laws to consider in executive session; the Commission may exclude from any such executive session any person or persons which it is authorized by State law to exclude from such executive sessions.

Subject to any applicable time limitations provided in Section 507, any person (including, but not limited to officers or employees of the City), may submit, present, or make at said meeting, any evidence, testimony, statements, or arguments in favor of or against the matter which is being considered.
